[WHO should attend]

This training is designed in an accelerated, practical and focused format. The concepts and tactics are easy to learn, with an emphasis on surviving and protecting loved ones in armed attacks with a criminal or terrorist. This is NOT a Martial Arts belt testing class.

[TOPICS COVERED]

- 1 ZERO SPACE ATTACKS** Knife against throat, back, chest, sudden hand axe attack, in-unit, hostage and adverse situational survival
- 2 GUN/LONG GUN** All tactical retention, draws, deployment, movement, offender engagement, disarms and transitions to duty weapon or CCW.
- 3 USE OF FORCE AND THE LAW** Discussions on decision making in lethal force situations during all types of attacks. Tactics selected to defend yourself, protect your career and personal liability at the same time. Current national trends.
- 4 EDGED WEAPON ATTACKS** Empty-hand tactics, unable to draw duty weapon or CCW situations on-and-off duty and knife-on-knife defenses.
- 5 MULTIPLE ATTACKER** in all types of on- and off-duty situations, alone and with family members. Escape/cover tactics.
- 6 VIDEOS:** First Thursday every month we show a video of an actual attack on police and citizens by an attacker, with a knife or gun both on- and off-duty. We re-enact them, showing how to survive.
